Customer Care Team Leader & Accounts Assistant (Payables&Receivables).

Dantra Limited Wholesalers & Distributors– Nairobi, Kenya

 *Feb 2025 – Dec 2025*

- Support key finance operations including accounts payable and receivable, invoice verification, payment follow-up and account reconciliations.
- Lead the customer care team in ensuring efficient order processing, timely dispatches, and smooth coordination between sales and finance departments.
- Place orders directly with various supplier sales representatives based on company needs and financial position, ensuring optimal stocking and cost-effectiveness.
- Use QuickBooks Intuit to record supplier deliveries, purchase entries and update inventory accurately.
- Coordinate on-time supplier payments, monitoring due dates and processing transactions efficiently.
- Follow all pre-dispatch verification steps using delivery notes, purchase orders and invoice matching.
- Collaborate with logistics teams to ensure the correct products are dispatched to customers.
- Ensure complete customer satisfaction post-delivery, handling any issues by generating credit notes, corrected invoices and timely responses.
- Maintain strong supplier relationships through consistent communication and payment tracking.
- Adhere to internal procurement processes and SOPs, ensuring accuracy and compliance in dispatch documentation.
- Collaborate with the finance team to maintain accurate ledgers and assist with monthly financial reporting and supplier account management.
- Prepare and submit daily and weekly reports on pending invoices, stock variances and order status to management for informed decision-making.
- Delegate tasks effectively within the team to enhance productivity, reduce errors and maintain operational efficiency.
- Act as a liaison between customer service and finance team, ensuring seamless flow of financial data related to client orders and inventory.
- Demonstrate strong leadership, teamwork and attention to detail in financial documentation, client billing, and stock movement tracking
